

Wednesday, April 18th, 2018			
8:00 - 19:00	Registration		
9:00 - 16:00	Continuing Education Courses		
	Ivo Andrić B	Ivo Andrić A	Lavender Room
9:00 - 12:00	Carcinogenicity Studies: Perspectives on design and execution for successful product registration	RISK21: A Practical Framework for Risk Assessment in the 21st Century	Water Security: Integrating Lessons Learned for Water Quality and Sustainability
	Continuing Education Courses		
	Ivo Andrić B	Ivo Andrić A	Lavender Room
13:00 - 16:00	Health-Based Limits for Toxicological Risk Assessment: setting acceptable daily limits for pharmaceutical and chemical safety	RISK21: A Practical Framework for Risk Assessment in the 21st Century	Water Security: Integrating Lessons Learned for Water Quality and Sustainability
18:00 - 19:00	Opening ceremony		
19:00 - 20:00	Opening Lecture: Mary Gulumian State of Science and Profession of Toxicology on the African Continent: Lessons Learned from Challenges, Advancements, and Future Developments		
20:00 - 22:00	Welcome Reception		

Thursday, April 19th, 2018				
8:00 - 16:00	Registration			
8:30 - 9:30	Plenary Lecture: Jun Kanno Introduction to the Concept of “Signal Toxicity”			
9:30 - 10:00	Coffee BREAK			
	Ivo Andrić B Hall	Ivo Andrić A Hall	Lavender Hall	Aristotle Hall
10:00 - 12:00	Advances in Molecular Metal Toxicology	Development in Methodologies to Address Mixture Risk Assessment	Antimicrobial Coatings in Health Care Setting: Efficiency versus Safety	Short Communications Session
12:00 - 13:00	ROUND TABLE: Ivo Andrić Ballroom B Promoting Undergraduate Toxicology Education and Career Opportunities for Students in Developing Countries			WHO Chemical Risk Assessment Network Meeting
13:00 - 14:00	Lunch Break, Exhibition and Poster Viewing Guru Lunch: Prof. Claudio Colosio, Dr. Hanan Ghantous			
	Ivo Andrić B Hall	Ivo Andrić A Hall	Lavender Hall	Aristotle Hall
14:00 - 16:00	Applicability and Limitation of Non Animal Testing in Safety Assessment	Environmental Pollution and Toxic Outcomes: Doses, Molecular Biomarkers, and Associations	Arachnids: a Workshop Addressing Facts, Fallacies, Clinical Manifestations, Differential Diagnosis, and Management of Spider Bite and Scorpion Sting	Short Communications
16:30 - 20:00	Belgrade Presentation (15 min, Ivo Andrić B Hall) Belgrade City Tour and Networking Walk Toxicology History Room/Exhibition Visit			
21:00 - 00:00	Free Night Out in Belgrade and IUTOX EC Dinner			

Friday, April 20th, 2018				
8:00 - 19:00	Registration			
8:30 - 9:30	Plenary Lecture: Barbara Hales The Search for Safe Replacements for Endocrine Disrupting Chemicals			
9:30 - 10:00	Coffee BREAK			
	Ivo Andrić B Hall	Ivo Andrić A Hall	Lavender Hall	Aristotle Hall
10:00 - 12:00	The Significance of Drug/Xenobiotic Metabolizing Enzyme Polymorphisms in Cancer/Diseases	Evaluation of Safety Profile of Herbal Products	Workshop: Product Stewardship and Regulatory Toxicology in the Oil and Gas Chemistry	Short Communications
12:00 - 13:00	ROUND TABLE Women in Toxicology in Developing Countries			
13:00 - 14:00	Lunch Break, Exhibition and Poster Viewing			
14:00 - 15:00	Plenary Lecture: Claudio Colosio From Pre-marketing Studies and Authorization Dossiers to New Prospects for Pesticide Risk Assessment in Rural Enterprises			
	Ivo Andrić B Hall	Ivo Andrić A Hall	Lavender Hall	Aristotle Hall
15:00 - 17:00	Exposure and Risk Assessment of Pesticide Use in Agriculture: Approaches, Tools, and Advances	Incorporating Information on Chemical Mixtures into Chemical Risk Assessments	Substances of Abuse: Global trends, Prevention, and Management	Mattek Workshop <i>In Vitro Reconstructed 3D Models for the Safety Assessment of Cosmetics, Chemicals, Drugs and Medical Devices</i>
17:00 - 17:15	Coffee BREAK			
	Ivo Andrić B Hall	Ivo Andrić A Hall	Lavender Hall	Aristotle Hall
17:15 - 19:15	From Assessment of Internal Exposure to Chemicals to Action to Prevent Adverse Health Impacts: The Role of Human Biomonitoring	Biomarkers in Chronic Degenerative Diseases and Risk Assessment	Modified Mycotoxins – An Emerging Risk in Food Safety	
20:00 - 00:00	Gala Dinner			

Saturday, April 21st, 2018			
8:00 - 8:30	Registration		
8:30 - 9:30	Plenary Lecture: Lucia de Luca Communications in the Area of Toxicology: a Challenging Task?		
9:30 - 9:45	Coffee BREAK		
	Ivo Andrić B Hall	Ivo Andrić A Hall	Lavender Hall
9:45 - 11:45	Influence of Endocrine-Disrupting Chemicals (EDCs) on Development and Reproduction	Emerging and Known Natural Toxins: Environmental Fate and Human Risk	Toxicity of Respirable Particulate Matter in Ambient Air
11:45 - 13:15	Plenary Workshop Toxicology Data and Online Tools in Support of Research and Publications		
13:15 - 14:15	Round Table Toxicology for Health in the United Nations Sustainable Development Goals		
14:15 - 15:00	Closing Ceremony
